

think of
they th
water t

cannot see bridge timber in their
Sign at railroad stock yards: "This
not fit for drinking purposes" —
is that the truth? and (if so, isn't it
time to water the cattle? Why do
this? Oh, it goes to show what
ds think of cattle and once we know
hey think of cattle we can pull out
ithmetic and figure out what they
of humans. Regardless of what
ink of humans, I think they should
their stock every so often.
