I aint saying it aint or 'tisnt but if that  
Los Angeles fruitcake for presidents' birth-  
day weighs 250 pounds then that actress  
sitting alongside it weighs 1.850 pounds.  
One of those is loaded with pewter — or  
the newspaper was over-enthusiastic if  
not an outright, first-rate liar.

Two Frenchmen Fight a Duel — nobody hurt.  
Deputy Andre Hesse and John Beineix, a lawyer,  
engaged in mortal combat with pistols — four  
shots echoed through the empty football stadium  
and equally empty skulls without result.  
Both fired twice. (Big help they would be in case  
of war — wasting the nations powder and ball.)  
I respectfully suggest they fight all over again  
and use broomsticks.

Americana and Vagadespondia:  
Roosevelt, G-M is 52 today. (above or below?)  
Here (N.Y.C.) it's zero — and Zero Marx lives  
in Harlem. (G-M stands for Gen-Manager). —  
Arthur Brisbane tells us EXACTLY how fast  
sound travels. Now, don't doubt Art's word  
a goshshang bit but, would like to ask
