

"Each witness was asked: 'Are you a member of the Communist Party?'—  
This isn't fair.

They should have been interrogated are you a member of the Farmer-Labor Party, Picnic, Birthday or Beer Party—or Party of the Second Part?

The witness closes his eyes and shivers "Oh, my God, NO!" But he is not permitted to signify just what form of insanity he is subject to.

It wasn't such a bad boil when it started. It was such a pretty little thing!—not much more than a pimple. But look at it now. Ouch! I am referring of course to the capitalists system.

What shall we do, squeeze it and let the pus out or shall we cut out the "sugar"?—or both?

Howsoever and when the majesty of state hops upon a murderer, it is doing so in the misguided light of protecting its property rights in the murdered, (after the fact) as well as to conserve its rights in the living not yet devalued by murder or death (corpse has value) and if successful, in the prosecution of the murderer or one so charged, the state loses its property rights in the prisoner at the bar ditto.
