

Milk at $17\frac{1}{4}$ cents a quart is equivalent to one square meal, plus laxative, if used unmixed without other food.

Brainy boys call it "high" — how come hamburger is 30 cents?

Farmers are still giving it away — nickel a quart... and they do $\frac{7}{8}$ of the work.

Fashionables On Vacation At Saratoga Springs Resort — In Kind o' late in imparting this world-shaking information but, then, it's all right, you see, they're on year-round vacation and have only changed the scene of their pleasures. They want a paperhanger for president sons to make their time-out perpetual — a sergeant from the national guard preferably.

Only time they ever eschew these social functions (rest) is when they have a campaign-head and stay home to dish up vituperation to their distraught help — diatribes, I should say. Finnish Minister, now at Newport, might well make note of this resort as a possible future scene for his many capabilities...
~~He dined with the Vanderbilts~~

Ho hom — I see where, in order to establish a "Christian Front," many of the big shots are going in for Mural Amourment — theory is good, you can't fondle and fight at same time. Seems to me Salvation Army is slower winning its freedom from Britannia than were the shoeless-Joes of Walley Forge
