

Too Hot To Sit On:

XII

Dye ever notice the park benches are in the sun-
shine all day long—this comes in handy during
winter months—when our feet are in the oven.

Facts are most explosive element known.

Detailed Knowledge places next.

Action, skill and despatch are "in the money"—power.

"Glory that was" proves to have been exaggerated—
the hills of our youth show up as mere knolls.

I'm in one terrible fix— and how the Big B can throw
the soot: if I shave, my overalls won't look so good;
if I take off my overalls, my face won't look so good.
"Why not do both?"

Wrong again, me lord, I'll do neither—I'll go as I
am.
