

Forty-five is considered age limit in  
Industrial pursuits and, do most solemnly  
claim One Hundred and Forty Five is insuffi-  
cient yeerage for the obtaining of a  
subsistence level under present rulings.  
Sure, knock em off at 45 and appoint no-  
body over 29 — that's the kind of a guy  
I am. Why dammit the nation is on crutches,  
let no man on the Bench unless he can turn  
a hand spring in front of it.
